

Farm Gate Crate

Good for You. Good for the Community.

Your Farm Gate Crate subscription helps us subsidize the sale of produce to non-profits in the community, so they can stretch their food dollars.

Starting in July, you'll receive a handpicked selection of produce freshly picked from our no-spray fields in South Nanaimo, through Sept.

The Farm Gate Crate program provides paid employment opportunities for young adults, ages 15 to 30, through Canada Summer Jobs.
